Hi Lorena,

There is no record of any recent work done on 6th St. between Mesa St. and Centre St.

Mario,

Dekra-Light reported back to me that it appears that someone replaced all of the TAPE units and did not plug the tivoli lights back in. So far it's cost me \$495 to go out and assess and fix a few of them. However, I have several blocks out and it would now cost me thousands of dollars to fix them all.

Who is unplugging the lights? We cannot afford thousands of dollars to pay someone to plug them back in.

I really need your assistance.

Best regards,

Hi Lorena,

I did some research on the streetlights on 5th St. between Palos Verdes St. and Mesa St. and there are no records of any recent work done by BSL at this location. In addition, these streetlights have been LED fixtures since 2013.

Regards,
